

# Get to Know Your Food—Get to Know Your Farmers

## Inaugural Event of

## Slow Food Southeast Washington

If you are interested in learning more about the Slow Food Movement, come to our first event in Southeast Washington. SFSEWA is hosting an outside, at the farm, social hour and dinner featuring the best local produce in Southeast Washington. Come for the pleasures of the tables and an evening of local food shared by those who appreciate an extraordinary culinary experience.

Join us for dinner and join our local Chapter

*Slow Food is good, clean, and fair food. We believe that the food we eat should taste good; that it should be produced in a clean way that does not harm the environment, animal welfare, or our health; and that food producers should receive fair compensation for their work and that all people should have access to this good and clean food.*
